

Project Demo Planning

Date	25 June 2026
Team ID	XXXXXX
Project Name	Project Demo Planning
Maximum Marks	1 Mark

Project Demo Planning:

The demo highlights the project objectives, system workflow, machine learning prediction process, key features, and final results. Each team member is assigned specific responsibilities to ensure a smooth and effective presentation.

S.No	Demo Section	Description	Duration (mins)	Responsible Member
1	Project Introduction	Introduce the project objectives and problem statement.	2	Shaik Sumaya
2	System Overview	Explain the system architecture and workflow.	3	Shaik Sumaya
3	User Interface Demo	Demonstrate login, input form, and user interaction	4	Shaik Sumaya
4	Loan Prediction Demo	Show loan eligibility prediction using the ML model	4	Shaik Sumaya
5	Results & Testing	Present prediction results and testing outcomes	2	Shaik Sumaya
6	Question & Answer Session	Answer evaluator questions and conclude demo	3	Shaik Sumaya

Demo Flow Summary:

Step	Activity	Notes
1	Project Introduction	Explain the project objective and need for loan prediction
2	System Overview	Describe architecture, technologies, and workflow.
3	User Feature Demonstration	Show registration, login, and loan application form.

4	Conclusion & Q&A	Summarize the project and answer question
